

Don't Give Up

Stand up and fight fear,
Your victory is very near.
Life is not for fun,
You have to take the bull by the horn.

Rise up and never give up,
Do it fast before your time is up.
Fear may be on the hunt,
But never let your courage faint.

Rise up before it is too late,
You are not destined for ill fate.
Life is full of hurdles,
Keep running and never tumble.

We are waiting for your victory,
Though the enemy awaits the fall of your glory.
Never allow them to rejoice,
Always remember that you are an Ace.

Finish the battle and take your place on the throne,
Release yourself from the emotion controlling you like a drone.
Remember your place is in the palace,
Never stop until you have found solace.
