

## **Let it be a Sunday**

Let it be a Sunday,  
Where I will find,  
Silent shapes.

Let it be a Sunday,  
When minutes,  
Are wild and in disarray.

Let it be a Sunday.  
Who will call,  
Monday's name?

Let it be a Sunday.  
What fears for a week,  
Do I hold at bay?

Let it be a Sunday.  
How much expectation,  
Kept in a single day?
